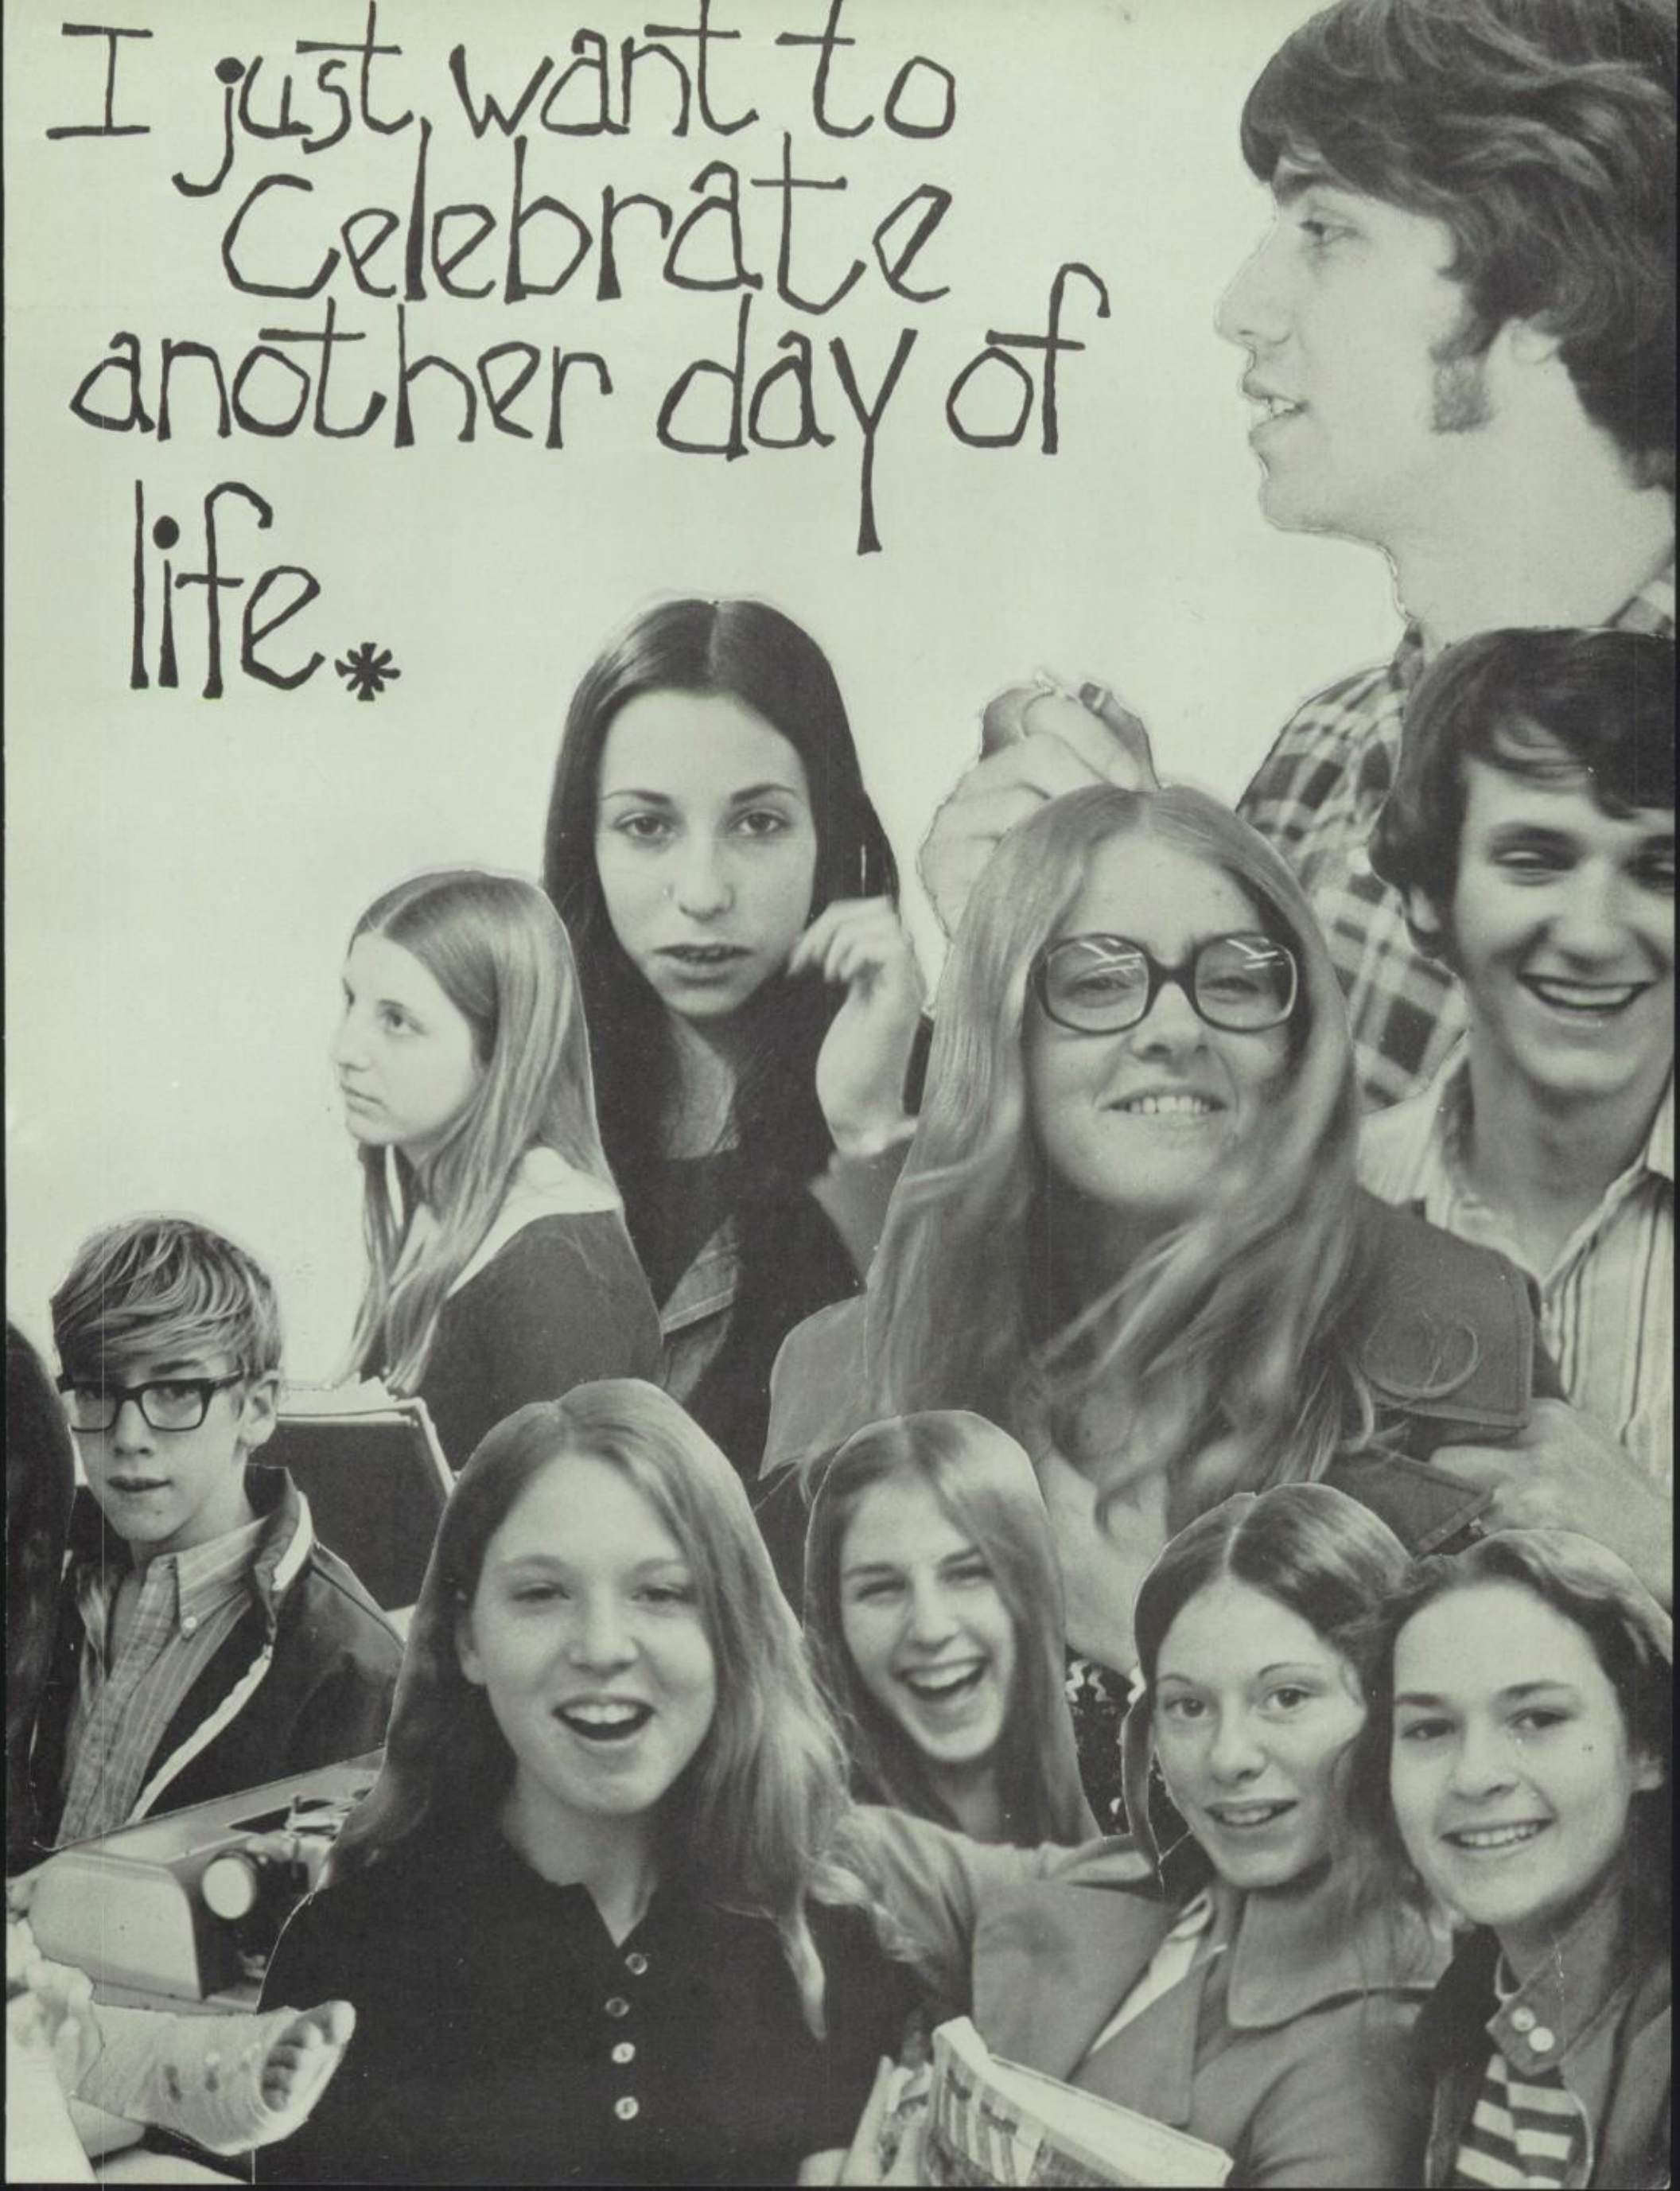
I just want to Celebrate another day of life.*



Put my faith in the people
But the people let me
down
So I turned around
And went on anyhow

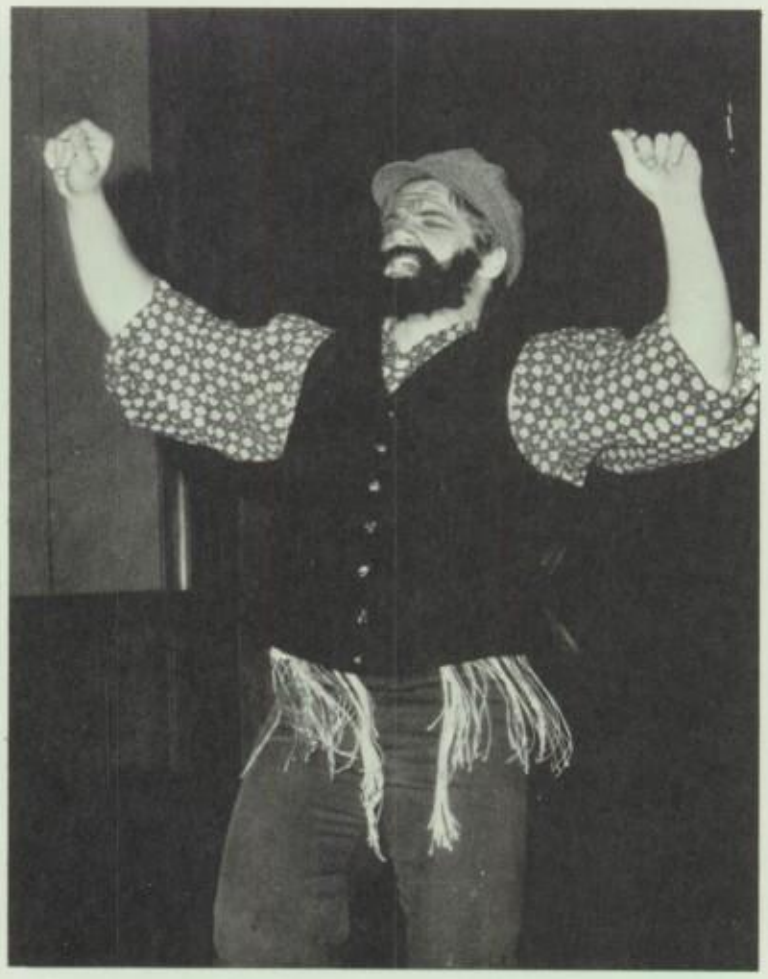
I just want to celebrate
I just want to celebrate

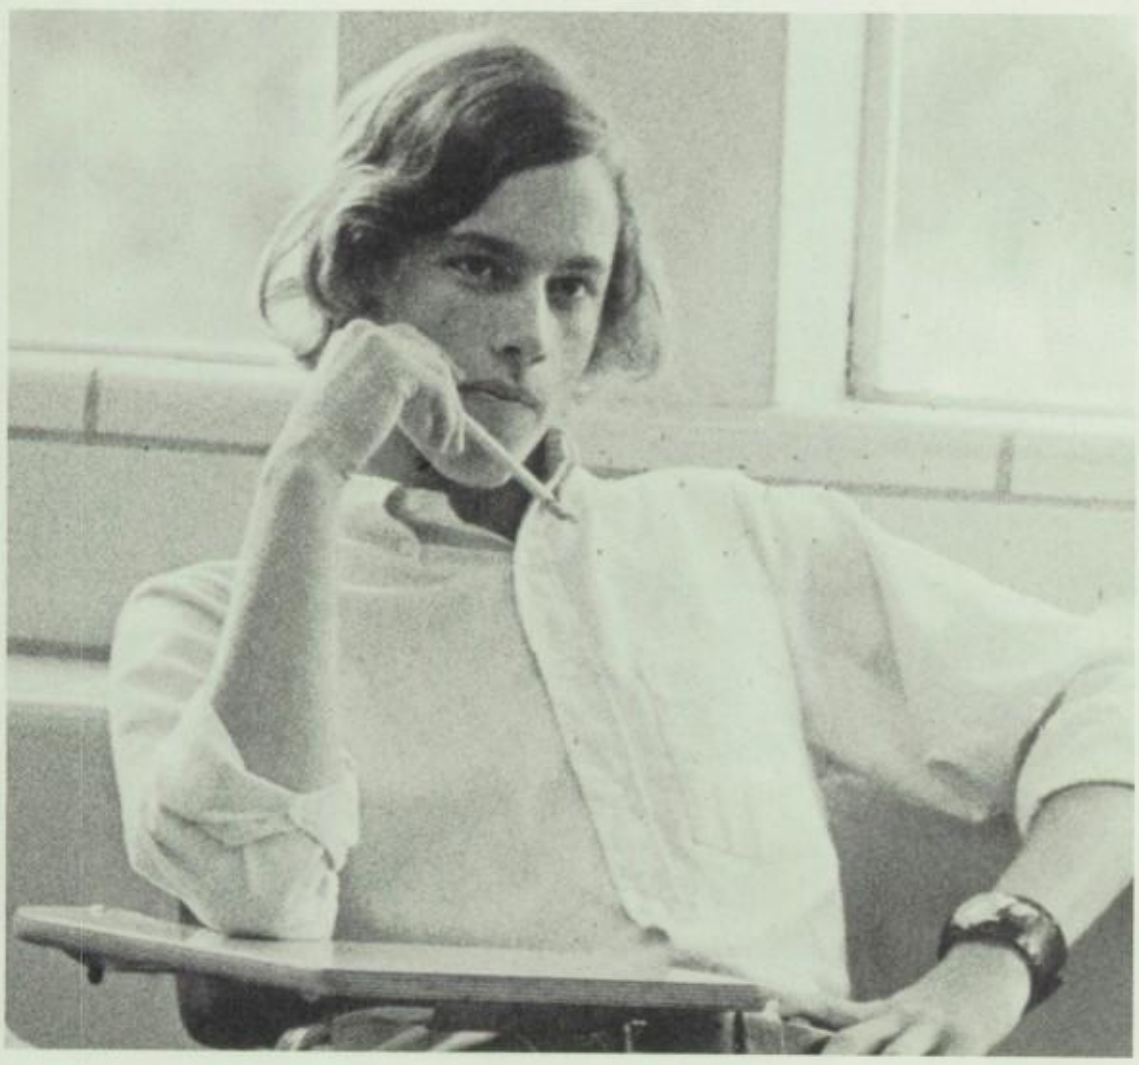
Had my hand on a dollar bill
And the dollar bill blew away
But the sun is shining down
on me
And it's here to stay

another day of living
another day of life

Don't let it all get you down

Don't let it turn you around





I can't be bothered
with sorrow

And I can't be
bothered with hate

I'm using up my time
and feeling fine
every day.

I just want to celebrate...

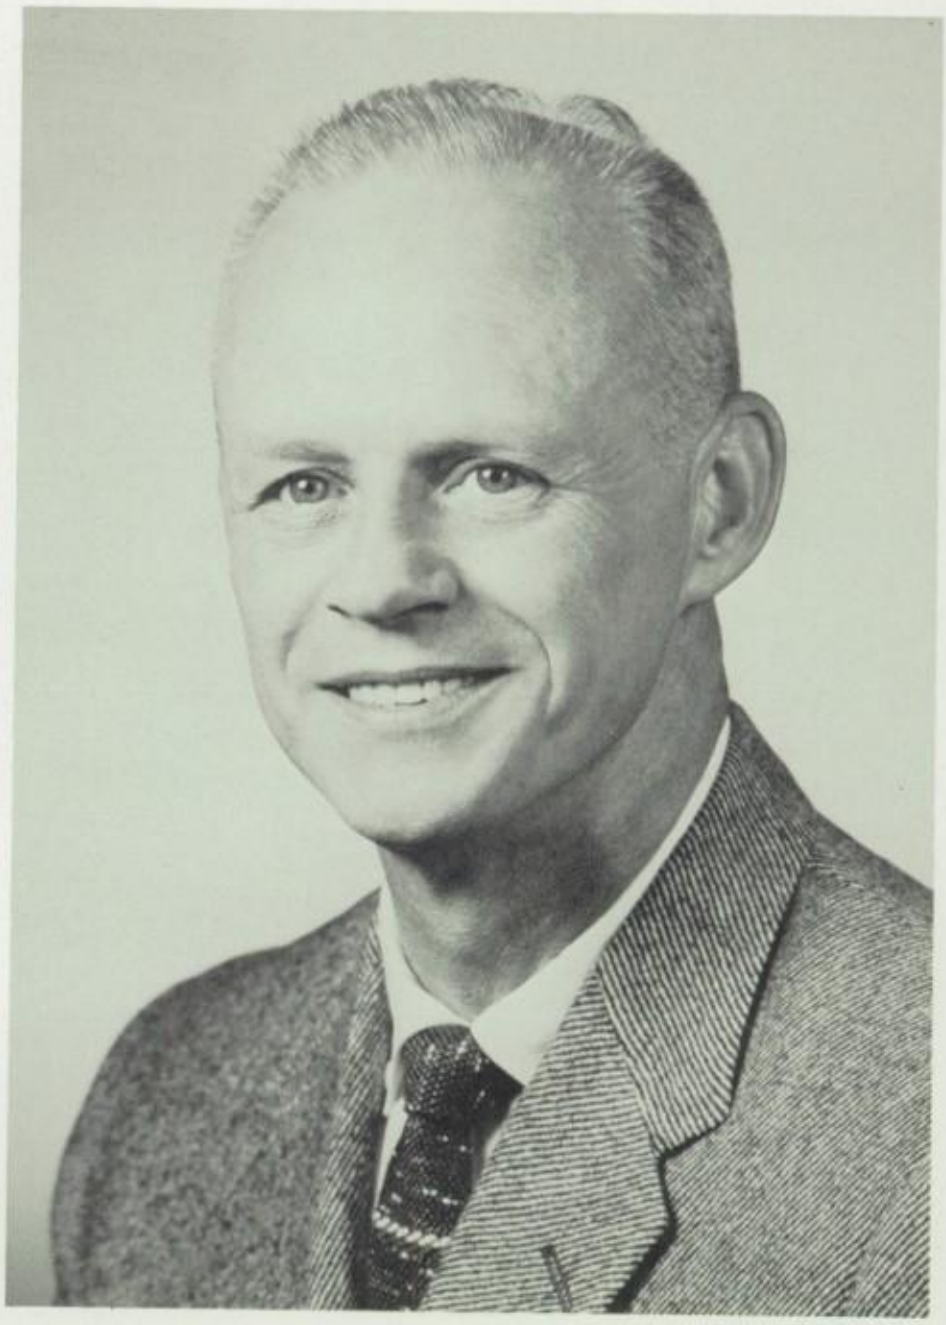
Retiring . . .

After many years of devoted service in the educational system, George H. Houck is retiring. Once he received his education from Wilmington and the University of Cincinati, Mr. Houck not only taught business at Springboro and Wilmington High School, but also coached many of the sports at these two schools and at Middletown. In fact, one year that he was head basketball coach at Middletown, his team became state champions. Finally in 1949, he came to Troy, where he has participated in various areas of the school system, such as the athletics department, the business department, and the high school administration. From 1958 to 1970, he was Assistant Superintendent of Business. Then for the past two years, he has been the Assistant Superintendent of Personnel. Throughout the years, George Houck has had many accomplishments, but the one most Troy High students will remember him for is his initiation of the scholarship awards and dinner. Mr. Houck has decided to top off his years of work with such hobbies as golfing, fishing, and resting.



Is it so small a thing

To have enjoyed the sun,

To have lived light in the spring,

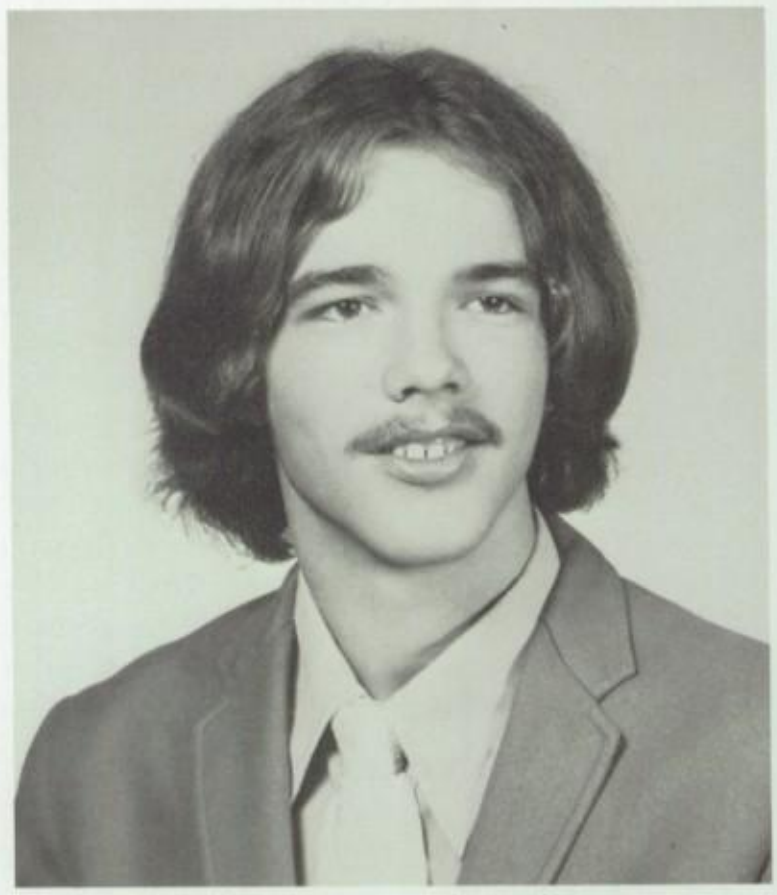
To have loved,

To have thought,

To have done?

Matthew Arnold

In Memory of . . .



Ron (Mac) Erwin
September 29, 1953
— May 14, 1972

Death be not proud, though some have called thee

Mighty and dreadful, for thou are not so;

For those whom thou think'st thou dost overthrow

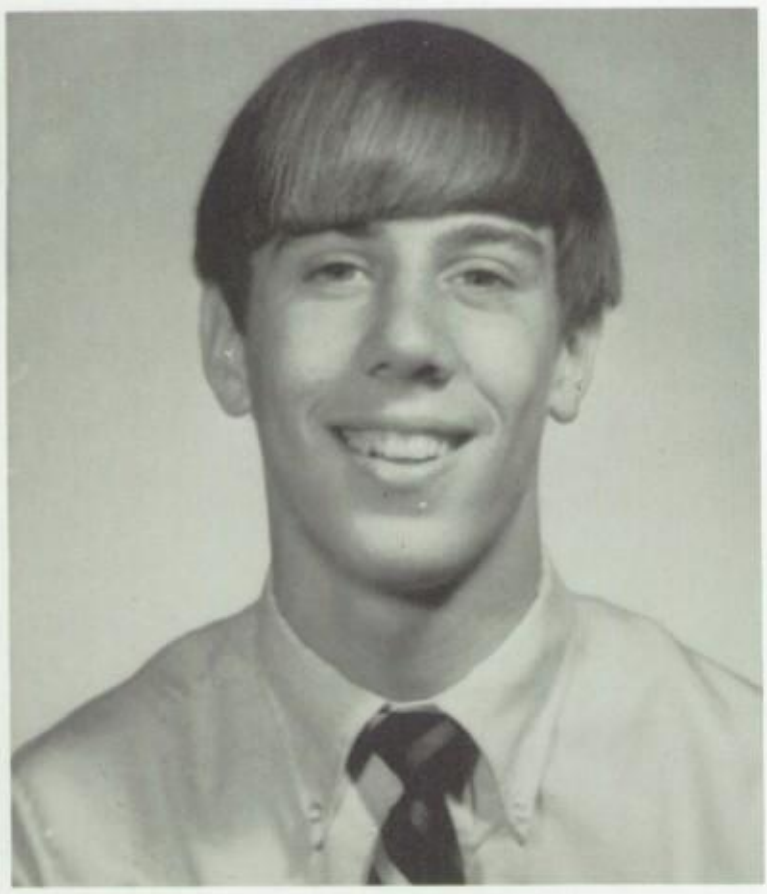
Die not, poor Death, nor yet canst thou kill me.

From rest and sleep, which but thy picture be,

Much pleasure; then from thee much more must flow;

And soonest our best men with thee do go —

Rest of their bones and souls' delivery!



Craig Heiberger
June 6, 1954 — May
14, 1972

Thou art slave to fate, chance, kings, and desperate men,

And, dost with poison, war, and sickness dwell;

And poppy or charms can make us sleep as well

And better than thy stroke. Why swell'st thou then?

One short sleep past, we wake eternally,

And Death shall be no more: Death, thou shalt die.

who's got soul?
we know who;
it's the class of Seventy-Two.

The Class of 1972

It was the fall of '68
And all our minds a jumble.
All the giant, 6 foot seniors
Made us kinda' humble.

They took us off our 8th grade perch,
A perch we thought was high.
After a week of initiation
We thought that we would die.

But we stuck it out and smiled,
Every face held a sheepish grin.
We threw away our Van Cleve budget cards
And decided to dig right in.

From football to golf, jocks we became.
Beating the seniors at their own game.
Cross County had *Bobby*, Track did too,
It seems that winning, was all he could do.

Hildred and *Ferdy* they were the ones
That took charge of our gym classes
And every Tuesday and Thursday
They worked off all our _____.

Wrestling, Basketball and clubs we joined.
These activities were lots of fun.
And soon the school was saying,
The frosh: "Trojans had become."

There was a man named *Mr. Thomas*
Whose head shined in the hall.
But all we ever learned of science
Was flying airplanes down the hall.

Cecil Jones brought us Spanish
Ola! Ola! he echoed down the hall,
And *Mrs. Hayden* spoke of German:
"Es geht mir gut . . . you all."

Our freshman year had come and went
And all our minds were gone.
Summer had only just started
When the sophomore year came on.

Yes, finally our sophomore year arrived
And we all sought to take charge,
But in our effort we soon discovered
The seniors were still pretty large.

But battle them we must on the football field
And on the hardwood floor.
And after weeks of friendly strife
Varsity T's the sophomores wore.

With this new found fame we discovered
The clubs we now could join,
But to our dismay we also discovered
The dues took up our coin.

We were introduced to Biology
By *Culbertson* and *Brewer.*
Dead cats and frogs and pollywogs;
The place smelled like a sewer.

Principal Hoffman, alias Spanky,
Famous for his argyle socks,
Never quite could handle the problem
Of hippie-freaks and militant jocks.

It seemed as if the sophomore year
Was gonna turn our Quiet,
But situations turned for the worse
And we even had a riot.

But that was the year that *Barry* [illegible]
Made his appearance on the scene.
The girls thought he was dumb and dirty
But we knew he was just darn mean.

Rita, Debbie and *Kay* were the girls
That would lead the Block for 3 years.
The Block, the girls, they were the Greatest
Leading our victory cheers.

As sophomores it was "Brigadoon"
And jumping swords required stilts
But the awkard guys made it look easy
And looked kinda handsome in their kilts.

Thus our sophomore year did close
With none of us shedding a tear.
And all of us looked with great anticipation
to summer and our Junior year.

Yes, summer of '70 was the time
All of us learned how to drive.
Conard, Saxton, Mustard, McCarthy
Are you all lucky to be alive!

Our junior year was ushered in
With a brand new administration.
It seems the old couldn't quite
Handle the High School situation.

Mr. Welbaum roamed the halls
Smiling from ear to ear
Everything was going right
It had to be a great year.

The fall was cool and so were we
Upperclassmen we were
We grew bold enough to talk to the Seniors
Without the use of "Sir."

Funderburg and his Fabulous Follies
Entertained the football fans
With Block T screams and boisterous cheers
They overtook the stands.

10-0 our great team went
They ran the scores quite high
No one knew just what to do
The Trojans kept rolling by.

The Winter season came and passed
Our wrestlers and gymnasts did well
The Troy Hoopsters even won 5
And our heads began to swell.

Stacy Smallenbarger learned some tricks
And always practiced late
It seems as if the work paid off
He took a fifth at State.

When walking down the Troy High halls
One couldn't stand the noise
Superknockers were the latest rage
The best of kiddy toys.

Our Junior year it was Wizard of Oz
It turned out to be quite a night
Despite the breaking of the big Oz head
Everything turned out all right.

Chuck and Sharon crowned *Debbie and Mark*
As our glorious Queen and King
We also discovered we had a good group
The Wannderlust really could sing.
(EVEN THOUGH WE COULDN'T
UNDERSTAND THE WORDS)

When the awards were given out
Claudia and *Neil* were so crass
As to get the Carson and Vesper Trophies
For outstanding in the class.

Junior Career Day came rolling around
The fellows' spirits were high
But when the Army and Navy began to speak
There wasn't a single guy.

Senior Toast

We raise our glasses in a toast to you,
To thank you, some would say,
But if that was our only purpose,
I'm sure there'd be a better way.

We've known you all at least a year,
And some for almost four,
But now that Graduation's here,
You mean a great deal more.

You've seen us through four trying years,
And though we've had some fun,
It's both a relief and a sadness
To know that we're almost done.

We look ahead to greater things,
Willing to face life's trials,
But everything we've learned from you
Will stay with us through all the miles.

We've had some sadness in our class,
Death, dissension, and hate,
But through it all, you've been close by,
Helping us learn, before it's too late.

We haven't been easy to live with:
Either obstinate, or too willing to discuss,
But although you've had a pretty rough time,
We hope you've learned something from us.

What we'd really like to say to you, though,
Is that YOU'LL have a place in all that's in store,
Because a little bit of each of you
Will be with us when we walk out the door.

So thank-you, or thank heavens, one,
We offer now to you,
From the grateful, graduating class
Of 1972.

Faculty Toast

Ladies and Gentlemen . . . a toast:

To the individuals, who in 1969 could not find room C-4, but who have now individually completed the first step in life, a High School Education.

To the individuals, who once saw people, but are now aware of the real person . . . the feeling person.

To the individuals, who once asked with animosity, "What for?", we now toast the individuals who question, "Why?".

To the individuals, who once only experienced the boundaries of their playyards, but who are now thrilled by an Autumn victory, intrigued by a Thoreau classic, feel compassion for the grieved and misfortunate, involved with the life of Tevye, and fascinated by the Microwire Welder.

To the individuals, who become members of a group, yet are not swallowed by that group. To the individuals, who do not lose sight of their goals, or who do not sacrifice the real meaning and value of being oneself.

In 1969 the paths of many individuals were joined into a common highway. From this highway you have had the opportunity to learn and experience. It is now time to exit this highway. Some of you leave with a direction in mind, some a specific goal. Others of you will travel many roads before your direction is established. Yet all have the same beginnings, the same home, the same hallway . . . Troy High School. Four years ago you started together, and now you leave together. We the faculty, toast the individuals — the unified individuals of the Trojan Class of 1972.

Troy Football: Still #1

The 1971 football season was characterized by excitement. The whole city of Troy was in a football frenzy, with thousands crowding into the stadium for every home game. At away games, Trojan fans often outnumbered those of the home team, with many arriving as early as two hours before game time.

What was the cause of all this excitement? Only the most exciting football team in the area. With what many considered the best backfield in the state gaining over 3000 yards on the ground, and a tremendous defense that led every phase of the WOL statistics, the Trojan machine rolled to its second straight undefeated 10-0 season. The Trojans ranked fourth and fifth in the two state polls and won the Journal Herald All-Area Trophy.

FRESHMAN FOOTBALL: **Front Row:** Bruce Cahill, Blair Mintz, Tim Harrison, Kraig Kannard, Bruce Myers, Rick Quillen, Jerry Gosser, Dennis Anderson, Mark Shroyer. **Row 2:** Mark Stone, Dave Abrams, Jim Lewis, Chris Wilson, Rob Harrelson, Mark Shaneyfelt, Jimmy Criner, Craig Helmer, Bill Fulker, Jeff Heiberger. **Row 3:** Coach Turner, Scott Shroyer, Paul Gibboney, Pat Shanesy, Dave Collins, Dave Watkins, Brad Stockmeier, Kevin Smith, Rick Copp, Alex Bravo, Coach Hartman. **Row 4:** Paul Marvel, Tim Bowers, Tony Dibling, Tom Thornburgh, Kevin Bercaw, Tim Dumbauld, Tim Chalmers, Tom Ording, James McDowell.

Cross Country

Troy's Cross Country team, under Coach Stan Simpson, used a rare blend of youth and experience to have another successful season. The Trojan harriers, led by senior Bob Campbell and junior Eric Nelson, won three invitational meets and six dual meets. In spite of losing junior star Danis Carter due to an injury late in the season, the Trojans finished 3rd in the WOL and 2nd in the sectional. Nelson went to the state meet for his second straight year, finishing with a time of 9:59.5, the best time ever by a Trojan in a state meet.

Troy's Reserve team also had a great season, finishing undefeated.

Coach Simpson gives his team last-minute instructions before the Troy Invitational.

Girls Basketball

VARSITY:Front Row: Sherrie Edwards, Terri Billman, Mary Jo Boyd, Mary Ellen Beuchter, Cindy Lloyd. **Row 2:** Sheila Lloyd, Pam Powers, Julie Hall, Kay Meeker, Marianne Duer.

INTRAMURAL CHAMPS: Front row: Terri Hillman, Sheryl McKinney. **Row 2:** Rita Adkins, Jody Williamson, Susan Barga. **Row 3:** Mary Ann Treon, Carla Harris, Pam Powers.
RESERVES: (Left) Sheryl McKinney, Susie Welbaum, Mary Ann Treon, Sally Drijver, Nancy Meeker, Judy Long, Sandy Melvin, Diane Steineman, Susan Meeker, Jamie Hobson.

Basketball

When Troy basketball coach Bob Denari started the 1971-72 season, he had only three seniors — Phil LaVelle, Gordie Rawlyk, and Fred Bader, on a team that included five sophomores.

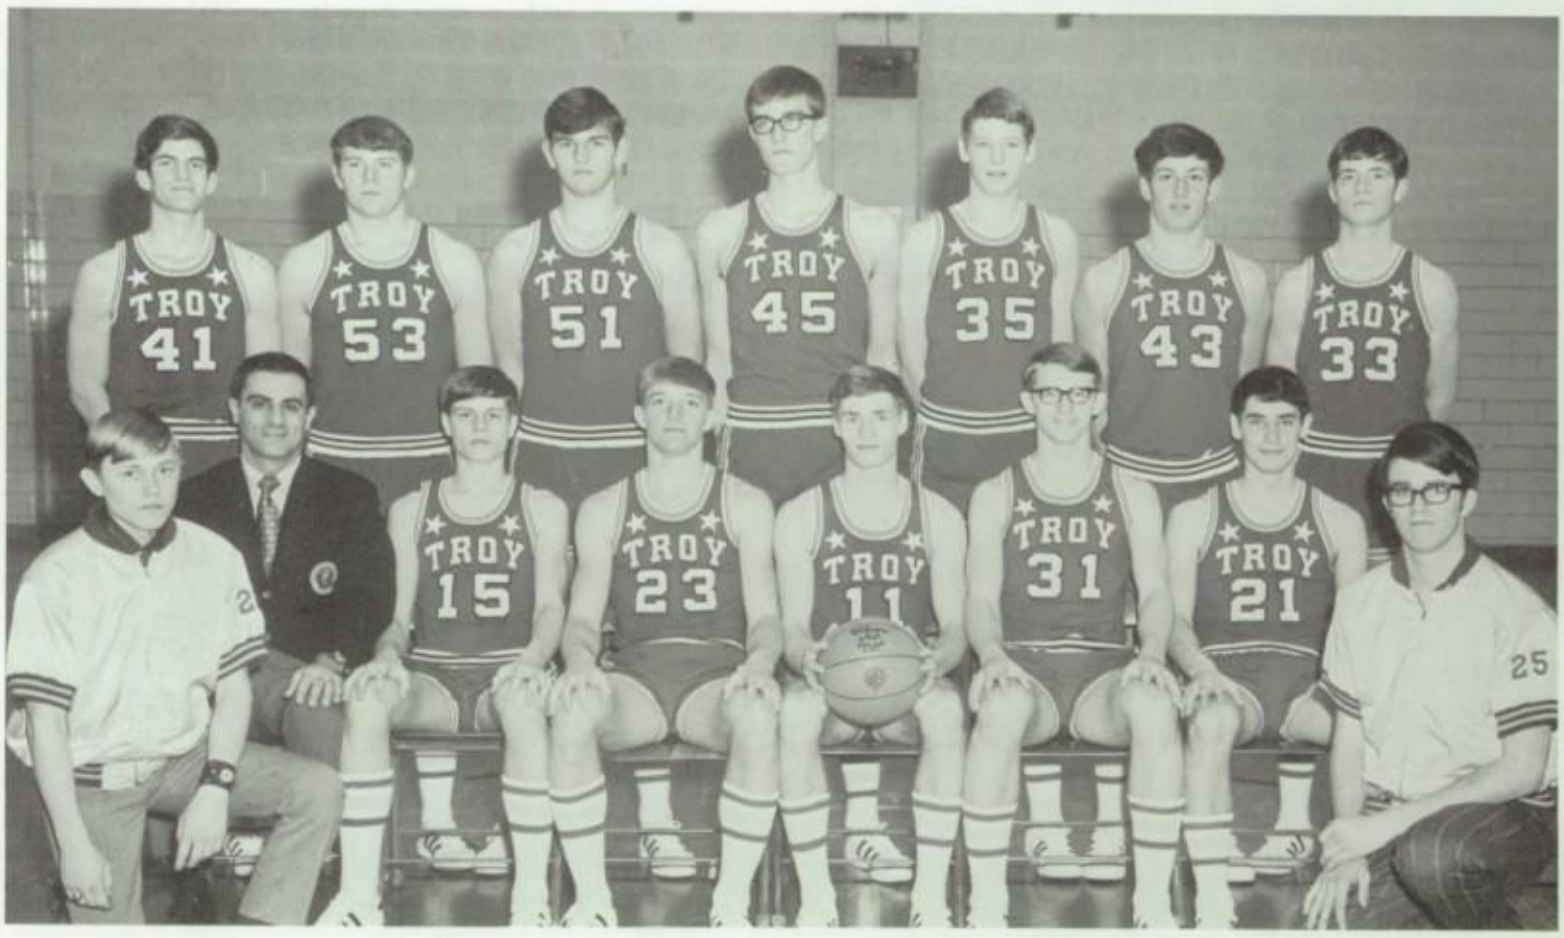
The young Trojans started off the season slowly, losing eight of their first eleven games. However, as they got some experience, things started turning the way of the Trojans. They won three of their last four Western Ohio League games to wind up in a tie for fifth place in a tough league that included two District Tournament winners. The scoring of Phil LaVelle and Rich Steineman led many of the Trojan victories.

The Trojans beat Fairborn Park Hills 81-67 in the first game of the District Tournament, making 43 of 55 free throws, including 13 of 14 by sophomore guard Jeff Brown.

In their next game, the Trojans were edged by Wayne in the final seconds, 67-65, ending the season with a 7-13 record.

Gordie Rawlyk led the team in scoring with 15 points per game, while setting a new school record in assists with 105. He was a second team All-WOL guard for the second straight year and was named Honorable Mention to the Journal Herald All-Area Team and the UPI All-State Team.

Troy Basketball: **Front Row:** Jack Puterbaugh, Dave Phillips, Managers. **Row 2:** Coach Denari, Dave Lindeman, John Mumma, Gordie Rawlyk, John Summers, Jeff Brown. **Row 3:** Phil LaVelle, Fred Bader, Kevin Blizman, Rich Steineman, Greg Seay, Ben Wolfe, Jim Brumbaugh.



Above: Lavelle and Steineman go high for a rebound.

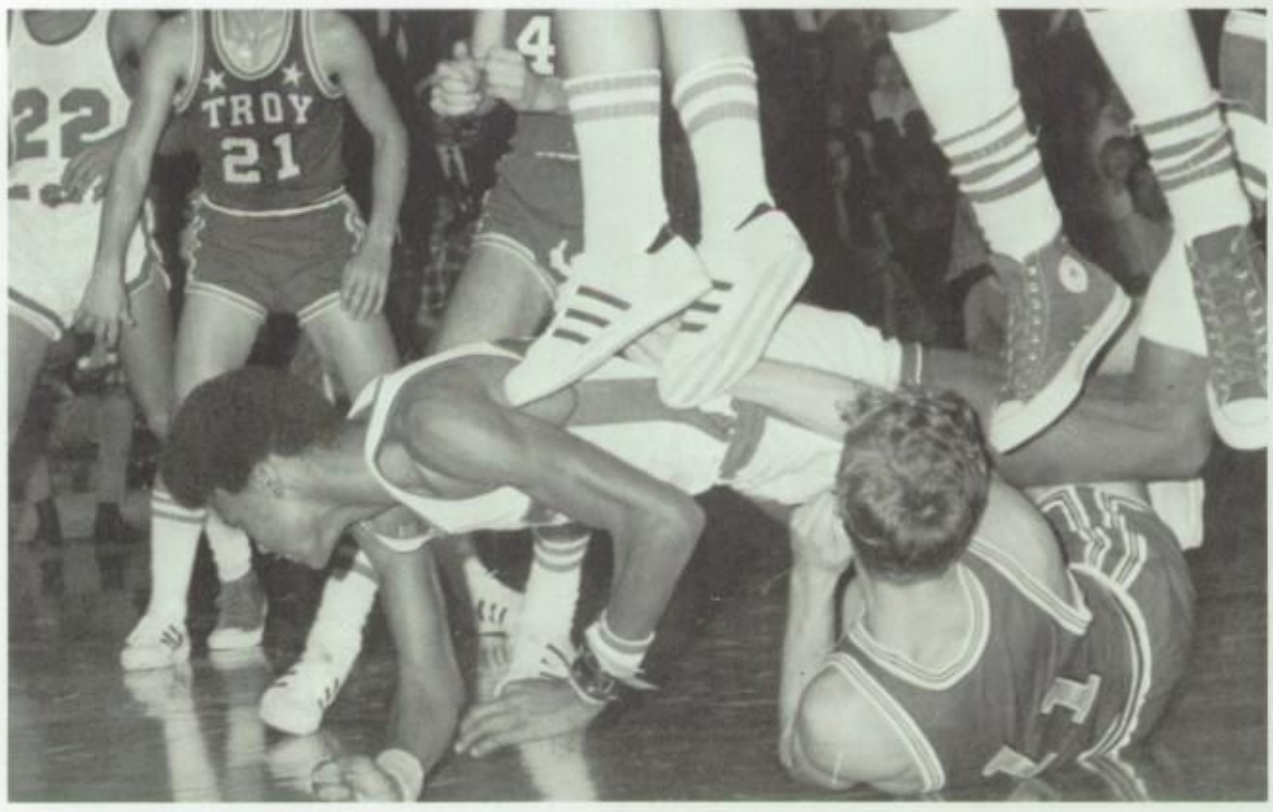
Above: Sophomore John Mumma was a big man for the Trojans. Although only 6' he was able to out rebound men several inches taller. **Right:** Rich Steineman goes up for two of his 23 points in a 72-71 win over Centerville.

What game are you guys playing, anyway?



Troy JV's and Sophomores: **Front Row:** Phil Dilworth, Nick Beam, Manager. **Row 2:** Coach Dearth, Jim Jakubek, Dave Granger, Dan Headapohl, Mark Allen, Jim McDowell, Brian Johnson, Joe Goodall, Coach Fletcher. **Row 3:** Tim Hall, Mike Baker, Brad Stockmeier, Robert Knight, Jim Lyman, Kevin Grump, Rick Copp, Mark Grant, Randy Harvey, Bob Porter.

Freshmen: **Front Row:** Shawn Nally, Jon McCoy, John Morrett, Doug Friend, Rick Scarff, **Row 2:** Tom Thornburgh, Tim Harrison, Bob Gallagher, Mark Schnell, Rob Harrelson, Jim Griner. **Row 3:** Coach Phillips, Mark Fish, Brian Rhoades, Dan Mallery, Tom Funderburg, Dave Abrams, Brad Blackburn.

The Varsity was not the only team that suffered due to inexperience. Four freshmen played on Junior Varsity, coach Bob Fletcher's team, while several others saw action with George Dearth's Sophomores. This resulted in poor won-loss records for both teams, as well as for the Freshman team, coached by John Phillips. However, there are bright hopes for next year, with nine returning lettermen and a horde of experienced players at every other level of competition.

Troy Gymnastics

TROY GYMNASTICS: Front row: Dave Schelkun, Mike Pirrie, Stacy Smallenbarger, Mike Calicoat, Steve Gingrich, Tom Wilson. **Row 2:** Brian Morrett, Tim Mercer, Pat Frey, Jerry Morton, Jim Yardlay. **Row 3:** Coach Stanley Simpson, Jimmy Shields, Ron Hart, Steve Hart, Jay Swob, Mark Shepard, Will Fontanex, Scott Hannah, Mike Christie, Mark Grauer.

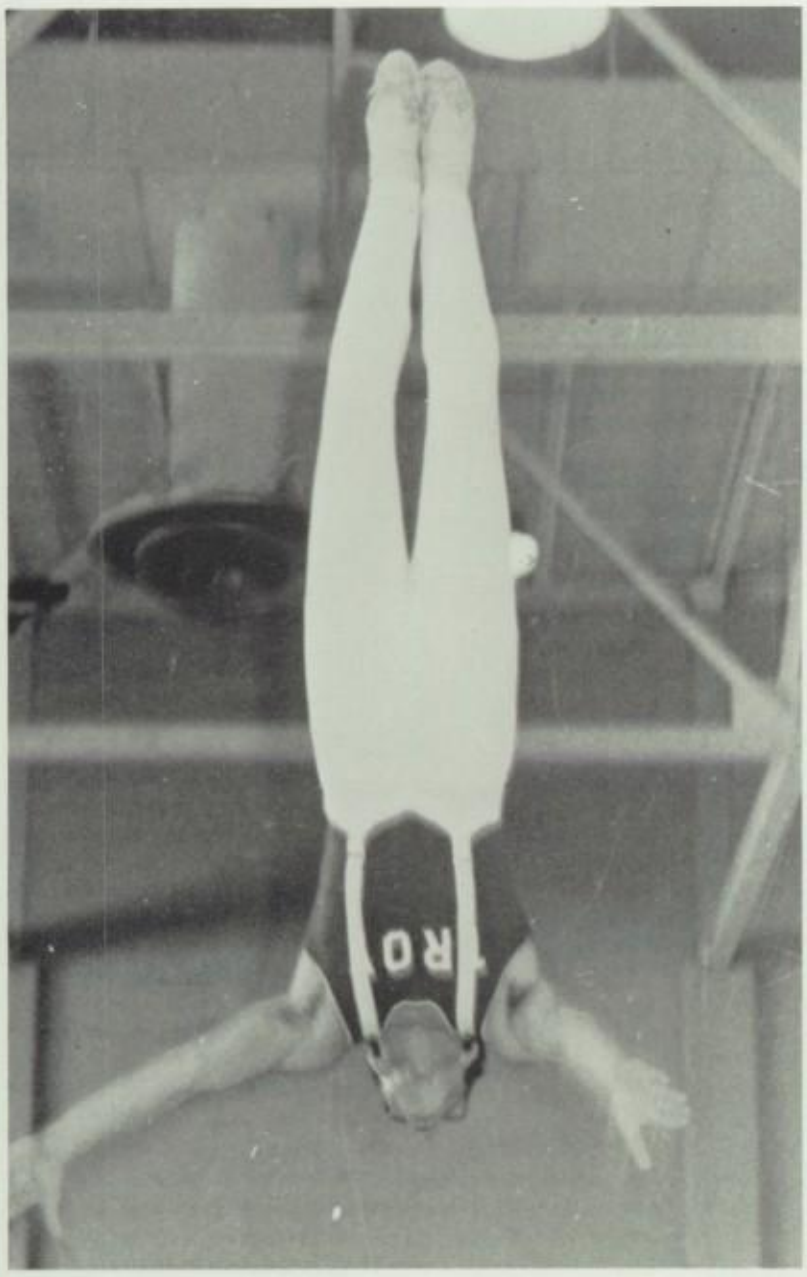
Right: Stacy Smallenbarger does an iron cross. In the WOL meet, Stacy took first in the rings, second on the high bar, and fourth on the parallel bars. He took sixth on the parallels and seventh on the high bar in the state.



Left: Tri-captain Dave Schelkun dodges the rafters. Dave also vaulted, placing 3rd in the WOL.

Below: Tri-captain Mike Calicoat worked on the parallel bars and still rings.

Left: Tom Wilson had Troy's best finish in the state, a 5th place on the side horse. He also placed 2nd in the WOL and 3rd in the Regional.

TROY WRESTLERS: Front Row: Dave Starkey, Bob McDaniels, Tim Pierce, Neil Lewis, Chuck Wray, Mark Potter, Mike Hoefler, Tim Goodin, Bob Campbell, Tom Woolery, Mike McDade. **Row 2:** Elmer Hall, Mike Hargis, Chris Wilson, Steve Rosenbaum, Jerry Parker, Todd Grimes, Mark Simpson, Ted Osgood, Bruce Myers, Jeff Goodall, Leon Schaeffer. **Row 3:** Coach Reed, Coach Cheney, Tom Evans, Bren Summers, Tim Bowers, Doug Johnson, Mark Douglas, Richard Stager, Mark Goodin, Elvin Ditzler, Randy Hess, Todd Winninger.

Troy Wrestling

Ray Cheney came out of his retirement from coaching last year to lead Troy's wrestlers to a fantastic season. The Trojans were undefeated in dual meets and finished either first or second in every invitational tournament in which they participated.

The only disappointment for the Trojan grapplers this year was a fifth place finish in the Western Ohio League Tournament, which they had been favored to win. It was here that Tim Goodin and Mike McDade suffered their first defeats of the season.

The Trojans bounced back to win the Sectional and seniors Tim Goodin, Dave Starkey, and Chuck Wray came through the District to win trips to the State Wrestling tourney. Chuck Wray came back with a sixth place finish in the State in the 155-pound weight class.

Coach Bob Fletcher's baseball team had a fine season, finishing with an overall record of 14-7.

The Trojans, who have almost everybody coming back next year, won their last two league games against top contenders to finish third in the WOL with a 6-3 record.

Junior move-in Bill Whidden snares a low throw at first base. Whidden was the team's Most Valuable Player, leading the in hits, triples, RBI'S, stolen bases, and batting with a .417 average.

Troy Baseball

Rob Walker uncorks a pitch. Rob and Dave Newnam were the top hurlers for Troy, with identical 4-2 records. Tom Pinter and Whidden also saw a lot of mound action. Senior Pinter had 3 wins, 4 saves, and a phenomenal 1.12 ERA.

Troy Reserves: **Seated:** Sean Nalley, Rick Flory, Craig Henderson, Matt Tecklenberg, John Morrett, Bob Behrens, Tom Funderburg, Mike Supinger, Steve Schwandt, Mark Stone, Jim Ridenour, Mark Alfred, Ted Ware, Scott Kunkleman, Kevin Cromes. **Row 2:** Steve Lamka, Mark Schnell, Dave Shroyer, Rex Tasker, Bruce Cahill, Tim Dumbald, Paul Gibboney, Steve Adams, Ken Strominger, Gary Ceyler. **Row 3:** Coach Boone, Craig Helmer, Brian Morrett, Steve Towne, Dave Alexander, Dave Abrams, Steve Rosenbaum, Terry Quillen, Rick Copp, Kevin Hancock, Chris Wilson, Rob Richardson, Gary Bean, Roger Reed, Randy Harvey, Mark Zimmerman, Mr. Terwilliger — Coach.

Joe Goodall, Troy's top golfer, missed a chance to play in the district when he signed an incorrect scorecard.

Loren Raymond did participate in the district for the Trojans, but didn't qualify for the state. Goodall and Raymond are both sophomores, so Coach Allen Richards has a lot to look forward to in the future.

TROY GOLFERS: **Front row:** Dan Nimer, Brad Nimer, Jeff Goodall, Jeff Stonerock, Mike Pittenger. **Row 2:** Coach Richards, Tom Bourque, Loren Raymond, John McCarthy, Joe Goodall, Mike Walpole.

Troy's track team, which has been great in recent years, was even better this year. The Trojans were undefeated in dual meet competition and won four invitational meets, including their third straight Troy Relays title. They also finished second by one point in a disputed finish at Piqua's Mote Relays, and second in the Sectional meet at Wayne.

The crowning achievement came in the Western Ohio League meet, held in Troy Memorial Stadium. The Trojans ran between the raindrops to wash out the opposition, compiling six first places and a total of 71 points, 40 ahead of their nearest competitor.

Troy also sent four runners to the state meet. Elmo Boyd (right), who set a new school record of 9.6 in the 100-yard dash, finished second in the state in that event, and fifth in the 220. He also anchored the 880-yard relay team, which included Dave Wise, John Mumma, and Randy Walker. That relay team did not qualify for the finals in the state, but did break the school record several times this season finishing with a best of 1:30.9.

Randy Walker and John Mumma make an exchange; they were part of Troy's record-setting 880-yard relay team.

Jim Ross (left) and Steve Jones each set a new Troy pole vault mark of 13'4".

Trojans celebrate big victory in WOL meet.

FRESHMAN TRACK: **Front row:** Bill Fulker, Daron Carter, Dave Fisher, Fred Hart, Bruce Meyers, Brad James, Dave Jackson, Dennis Anderson. **Row 2:** Pat Shanesy, Larry Goodman, James McDowell, Mark Shaneyfelt, Mark Shroyer, Paul Marvel, Scott Shroyer, Tim Bowers, Lesley Van Mouwerik. **Row 3:** Kevin Butt, John Foote, Dave Collins, Brad Stockmeier, Tim Welbaum, Tom Ording, Steve Wray, Brian Rhoades, Dennis Mendelson, Coach Barry Blackstone.

The great effort put out by all of Troy's athletes enable Troy to win her first Western Ohio All-sports Trophy ever. Troy is the smallest school in the W.O.L. and has been in the league only four years.

The first-place finishes by the football and track teams coupled with second places by cross country and tennis, paced the Trojans to the ALL-SPORTS title. The trophy was wrapped up by the baseball team, who won their final two league games, including one against Fairmont East, our closest contender for the title. However, the trophy could not have been won without outstanding performances by all our athletes in every sport.

All Club Organizers

J-TEENS/SOS is a service club made up of about 140 junior and senior girls. The main project was preparing for the All Club formal. The theme "Comic Strips" was done superbly with some outside help in the art work. At Christmas they gave a family a dinner, presents and stockings for each of the children. The Juniors planned the Senior Breakfast. It was a success as usual with well planned table decorations and favors. Their money making projects included: car washes at various stations around the city and the usual cupcake sales in the front and back lobbies.

The O.I. club is a new service club established only this year. However it is the only coed service club in Troy High School. Not only that but the O.I. club is one out of twelve such clubs across the United States. O.I. means Opportunity for Involvement. As a service club our club strived to benefit both the community and the school by becoming involved. Our main project, which became a great success, was establishing the Troy Area Recycling center.

They also have a U.N. week here at school when the students decorate the halls, wear costumes and sell fortune cookies. Four students from this area went on a trip to New York and Washington D.C. where they toured the government buildings and the U.N. building. While there they talked to ambassadors and studied their workings.

During this school year, the Troy High School Speech and Debate Team was freshly organized and raring to go. Mr. Mackey and the team spent many after-school hours learning to debate and practicing girls and boys extemporaneous, humorous, and dramatic speeches. These practices led to victory in our very first meet at Columbus East High School. Troy High hosted a meet in November. Near the end of the season, we went on an overnight tournament in Cincinnati, which everyone thoroughly enjoyed. When the season ended, we had gone to fifteen meets and come home very successful, having many individual winners and having won several tournaments outright with team effort. The most benefit was arrived, however, not by the number of victories; but rather by the experiences the team encountered.

Friendship

Oh, the comfort . . . . .
The inexpressible comfort of feeling safe with a person,
Having neither to weigh thoughts,
Nor measure words . . . but pouring them all
right out . . . just as they are . . .
Chaff and grain together . . .
Certain that a faithful hand will take and sift them . . .
Keep what is worth keeping . . .
And with a breath of kindness
Blow the rest away.

Students of Troy High,

As I write this letter, I am sitting in the garden of the Buchenroden Children's Home in Frankfurt where I have been living and working the past month. Buchenroden consists of two large old houses located in a somewhat prominent section of Frankfurt. Forty children plus personnel live here. Next door and so on down the street are equal size houses where wealthy families of four or five reside. This is a social injustice and a situation that exists in America as well as in Germany. I have realized during this year many injustices commonly shared by both countries.

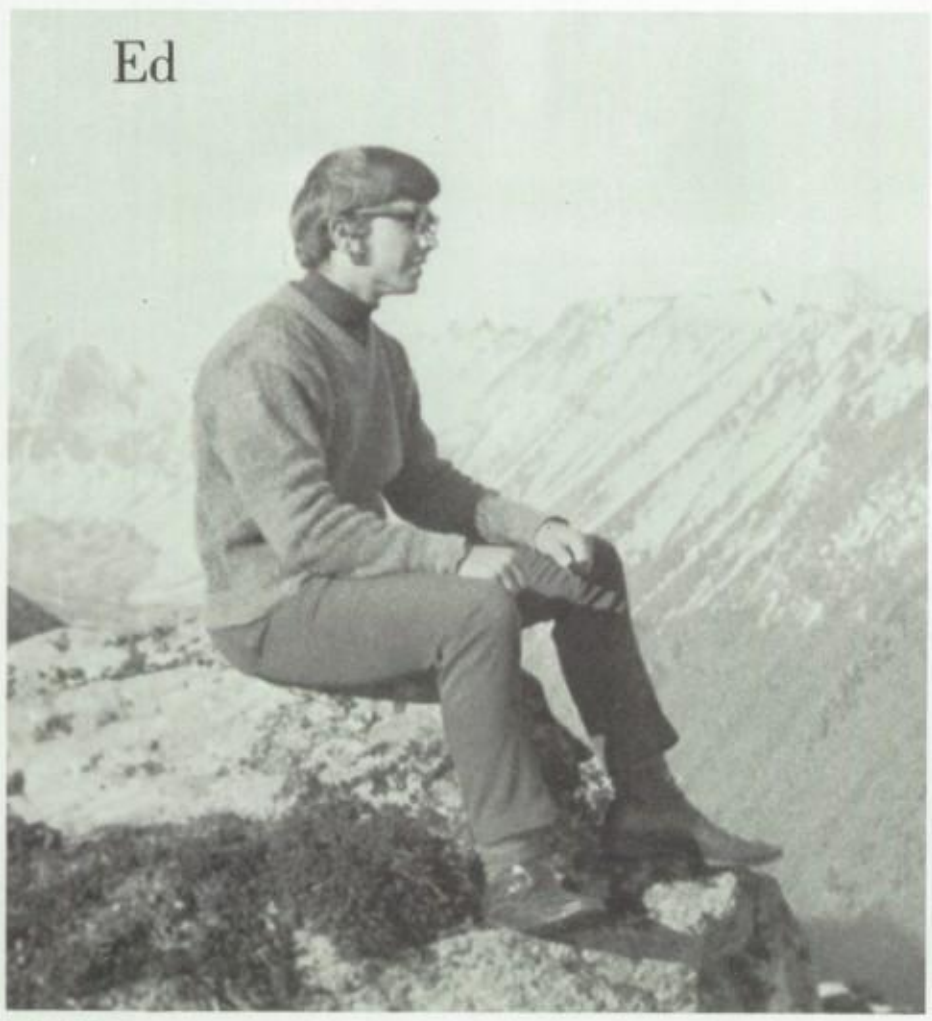
To say that one would spend his exchange year working for peace between America and Germany is unrealistic. There exists already too much peace in the form of apathy and naiveness in the hearts of both countries' population. Realistic is without the protection and influencing one-sided ideals of family, school, church, community—in other words, country—one becomes aware of the injustices that that country allows and that economical system creates. In this awareness one come to hate (or love) his country enough to want to change the system that rules it.

However, this awareness can easily be reached by living one's whole life in America. But, at this point, one usually gets caught up in the energetic but futile fight to only repair the corrupt system of Capitalism instead of changing it; for example with drug release centers, recycling centers, charities, Jesus people's peace of mind, scholarships, etc., etc.

During my exchange year in Germany, by means of an obviously freer press, freer speech and freer right of protest, I have come in contact with the ideas of progressive people who have the insight to see that the infection of Capitalism on a country does not heal itself, not will it go away by continual repairing and bandaging, but will spread until it is operated on and cut out so that the healthy and just results of Socialism can take its place.

This has been my exchange year. I would love to go on now and explain further, but I have a limit of 300 words and I'm well over.

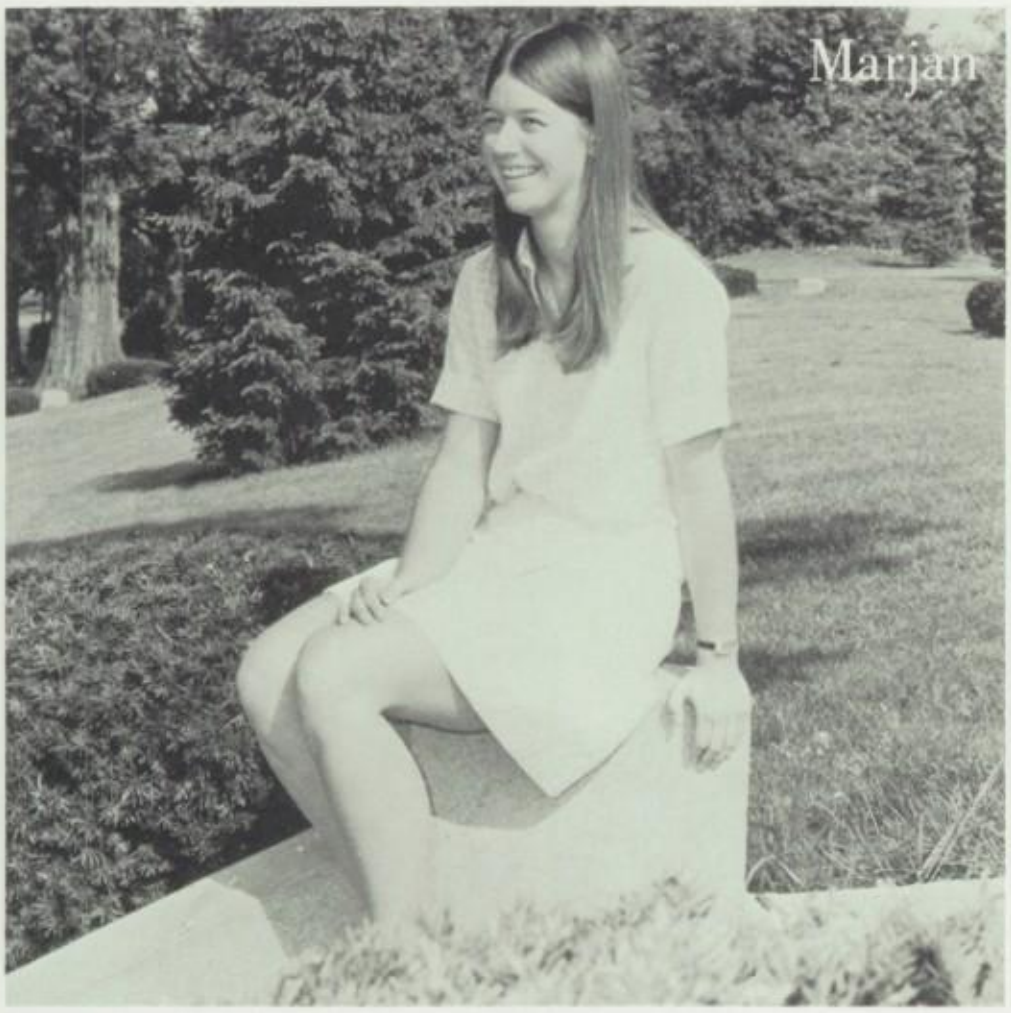
'Till August, Love,
Cindy



To the Student Body:

When I heard that I could write a letter to be printed in the annual, I sat down and wrote one. Logical? Sure. When I read it, though, it didn't seem to be very interesting or worthwhile. So I threw it away and wrote this one. Before writing this one, however, I tried to think of ways to make it more interesting and worthwhile than the last one. I couldn't think of much to make it particularly interesting, but I did come up with an idea to increase its "worthwhile-quotient." I figured that something worthwhile is probably also something important, so I decided to write something that's very important to me. It may not be very important to you—and that's up to you to decide. It took me about two seconds to decide which of all things that are important to me is the most important. I took a vote and it was unanimous! Jesus. I decided I'd write down the fact that Jesus Christ, the Son of God, is my Savior, and that He has helped me through gobs of situations that I could never have handled by myself. I decided I'd write down how thankful I am for the salvation He made available to everyone through His death and resurrection. And so I wrote it down. Thank you for reading it.

Sincerely,
Ed Lewis



Dear T.H.S.,

Now that school is almost over, I realize that my year in Troy as an exchange student is almost gone too. Time has gone amazingly fast, because I enjoyed it so much.

Troy High School is not hard in comparison with a Dutch high school. But what I like in the American school system is that you can choose your own subjects and that you have so much choice. After my very academic education in the Netherlands, I enjoyed spending time in art and music here.

The facilities in Troy High School are very good. The only criticism I would have is that there are so many rules and regulations in the school which are, for seniors, a little bit too strict I think.

What I personally found as being the greatest experience in this year is that I have been able to get to know people from a different culture, and discover that they are not really different. I feel I have a better understanding of problems and situations in America now, and that is a great thing that I'll take with me.

I would like to thank all the people in Troy High School who have helped me so much by letting me feel one of them with warmth and interest. You all have been part of my wonderful experience here. I hope I have been able to give something in return so we both feel that we gained something and that we brought the world a little bit closer again.

Dear Students,

This year has been the most enjoyable school year that I have had. The kids here really don't know how fortunate they are with respect to work load. For the most part, everyone seems to get the job done, but there are none of the pressures and tensions associated with "end-of-year exams." The whole school set-up at Troy is much more socially orientated than the school I attended in Australia. Apart from this, the atmosphere seems so much freer and more relaxed with no school uniforms, a wider choice of subjects and activities, and not so great a demand put on the student. I was really grateful for the opportunity to participate in girls sports and the various clubs which were a new idea to me. But most of all the thing which really made my year so fantastic were the kids. The friendship you all offered so readily was the thing which meant the most to me.

Wonderful, glorious Prom, more or less in recognition of the Seniors, was even a bigger success this year. Last years Prom band, *Wonderlust*, rejoined us and touched back on the good ole Beach Boy music, and to most everyone's astonishment, got everyone livin' and jivin' with a fast beat.

Prom King and Queen, Chuck and Debbie were crowned under the "Great Pumpkin" by Lisa and John, and afterwards enjoyed their special dance together by the wishing well.

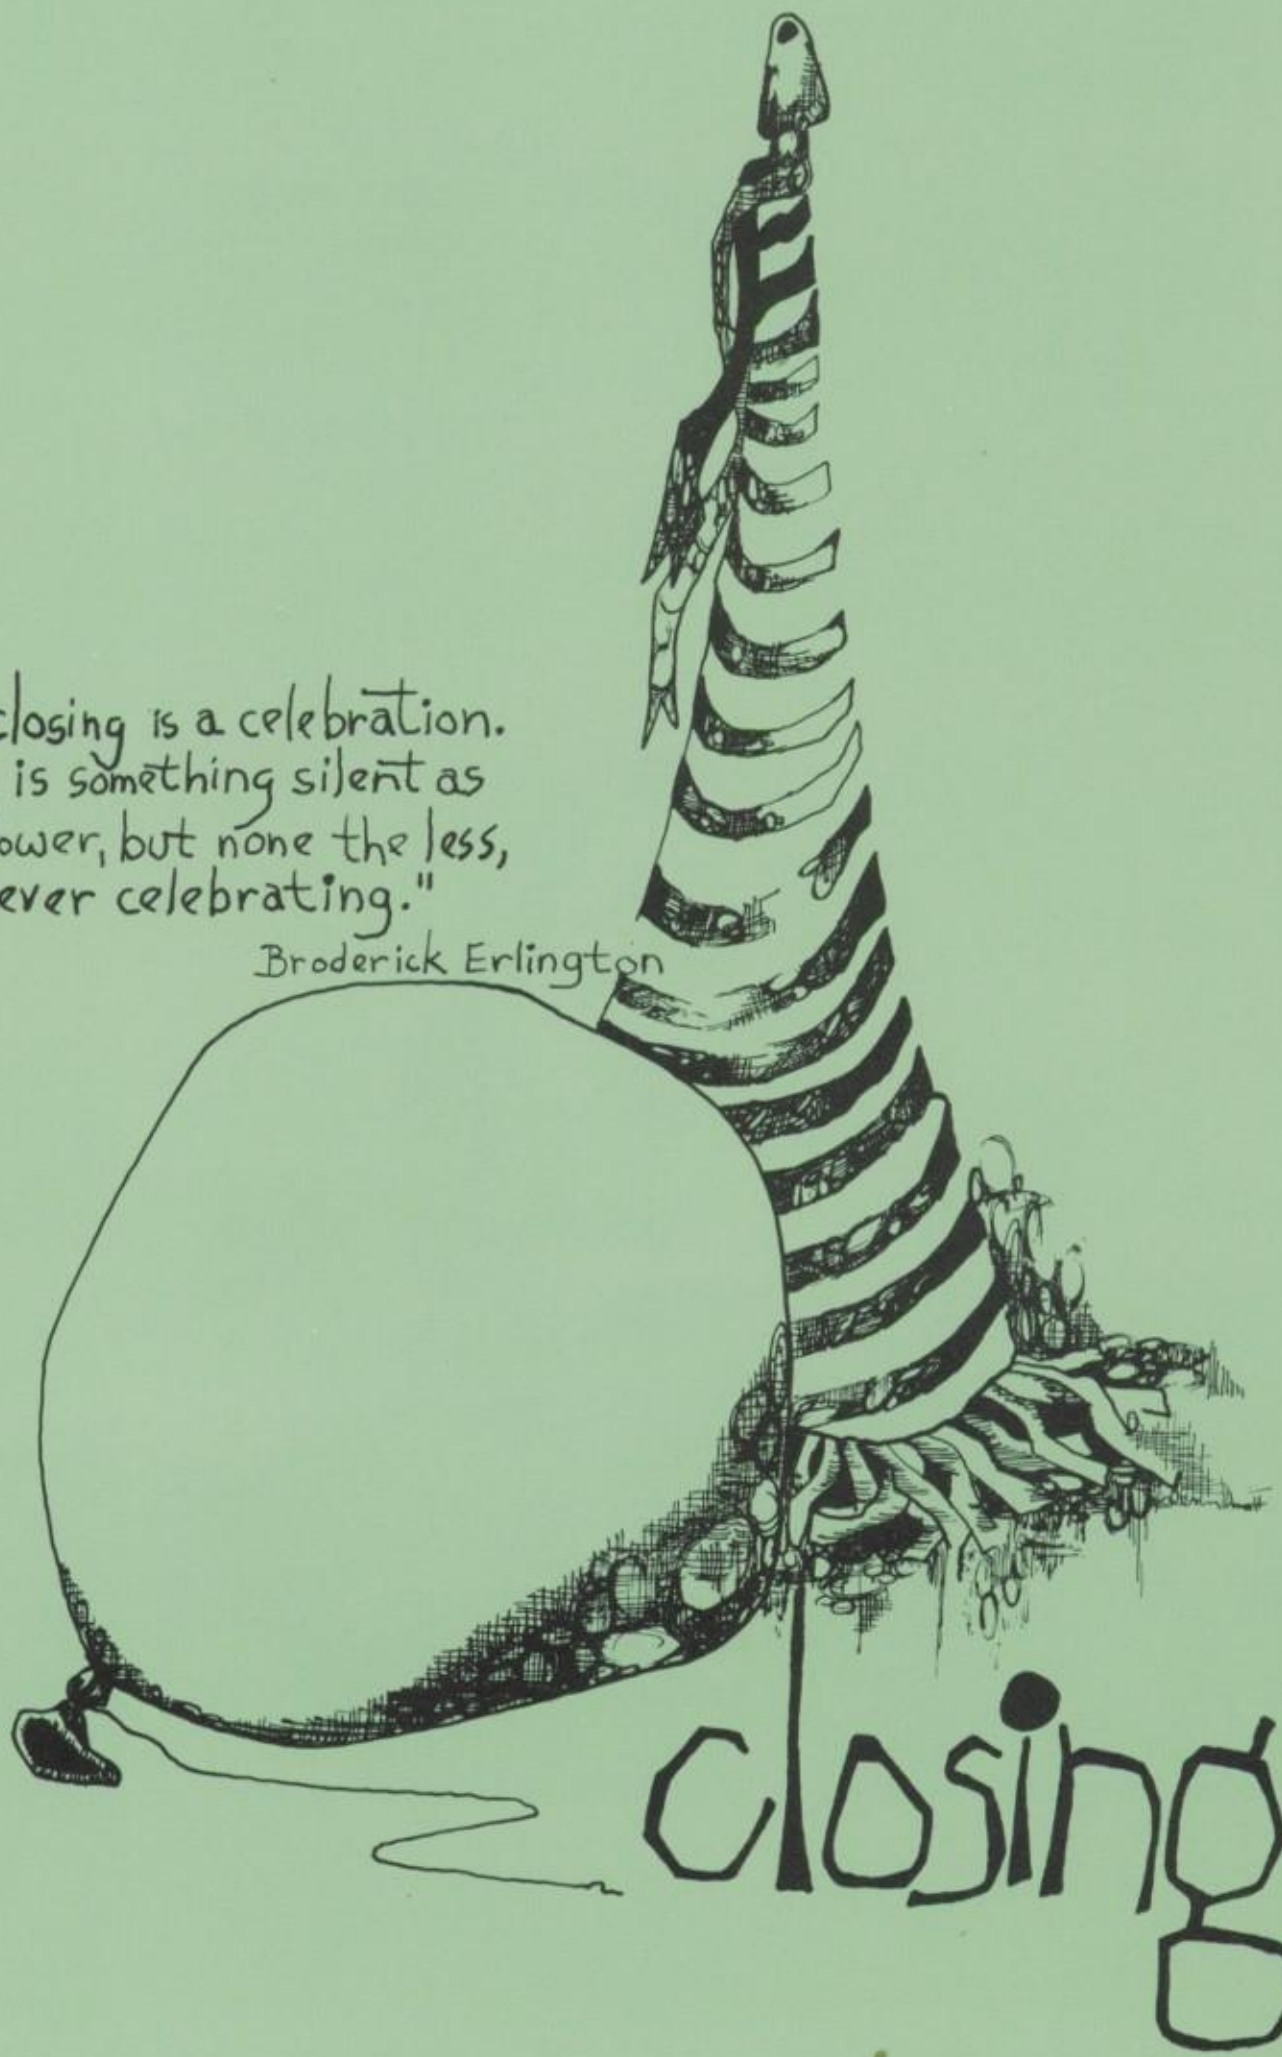
"A closing is a celebration.
It is something silent as
a flower, but none the less,
forever celebrating."

Broderick Erlington



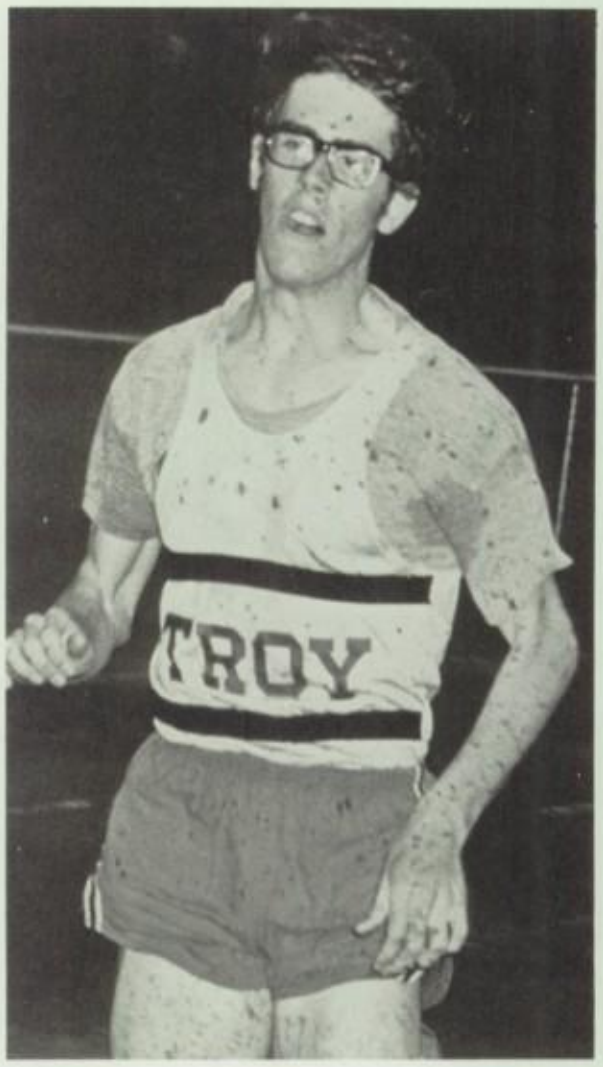
closing

Everywhere people gather in
celebration...

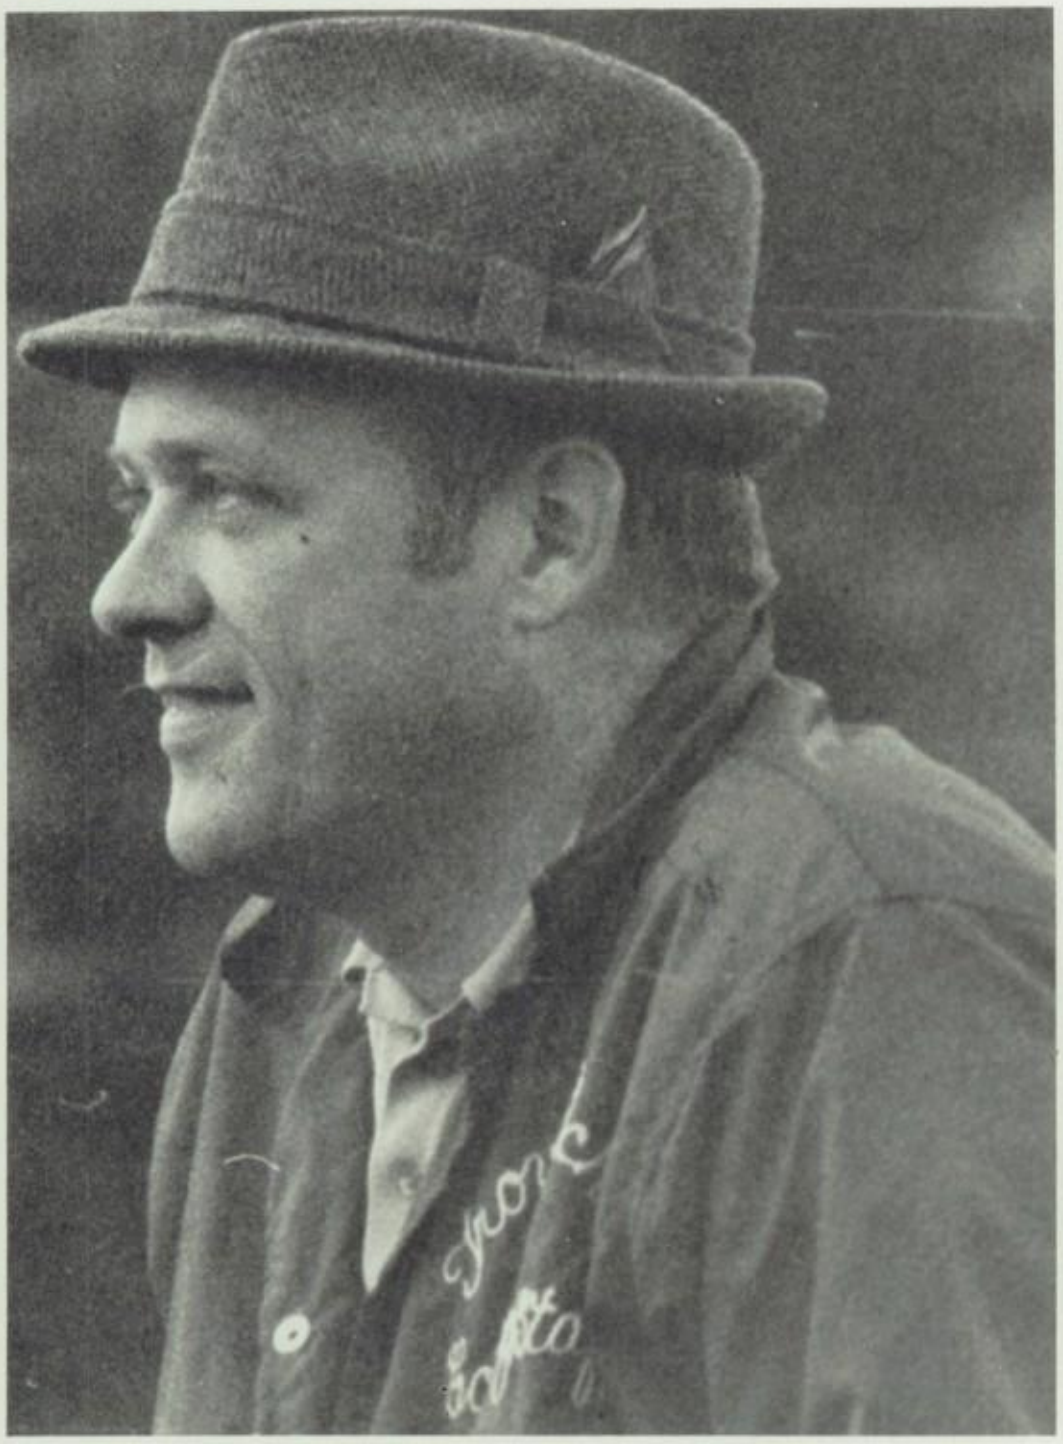
while on a mountain top,
a man all alone
focuses on the stars.

In all the universe,
is anything as
wonderful as man?

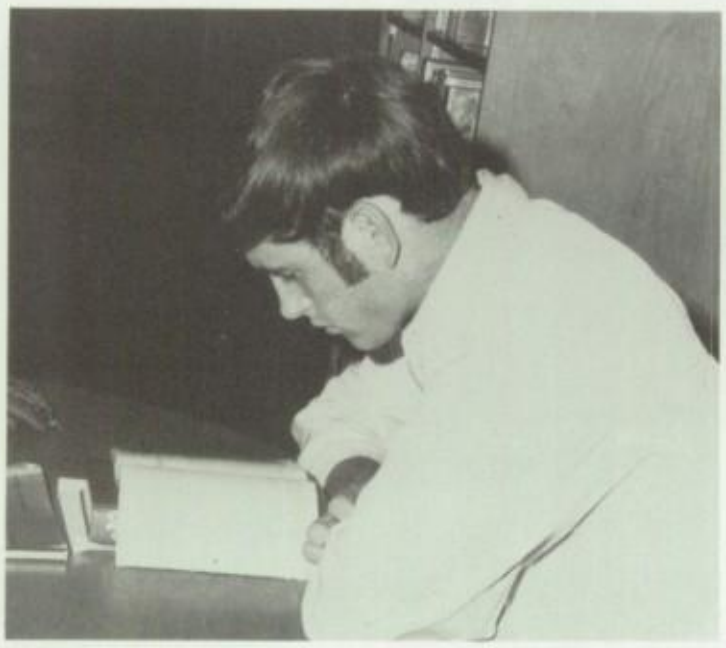
And yet, how often
we forget this
in the rush of things.



Wherever we are, the heart
can make a quiet place.
And the young can learn
we need never lose our sense
of life's wonder
And it's joy!

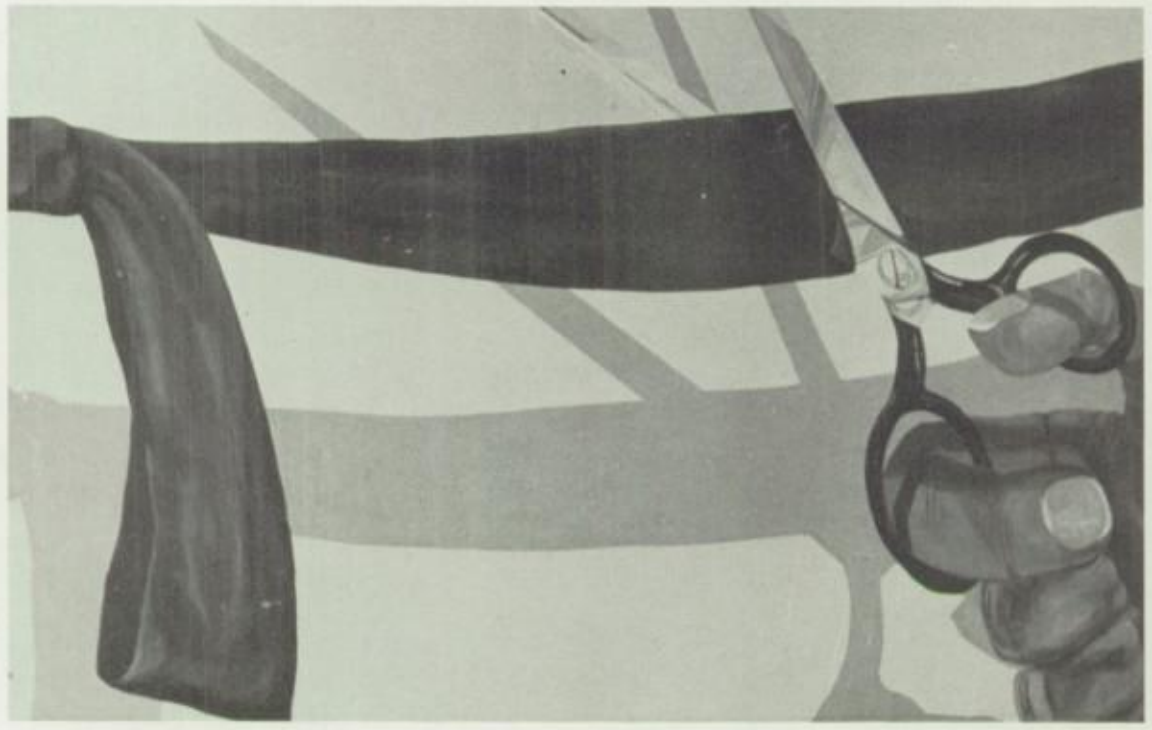


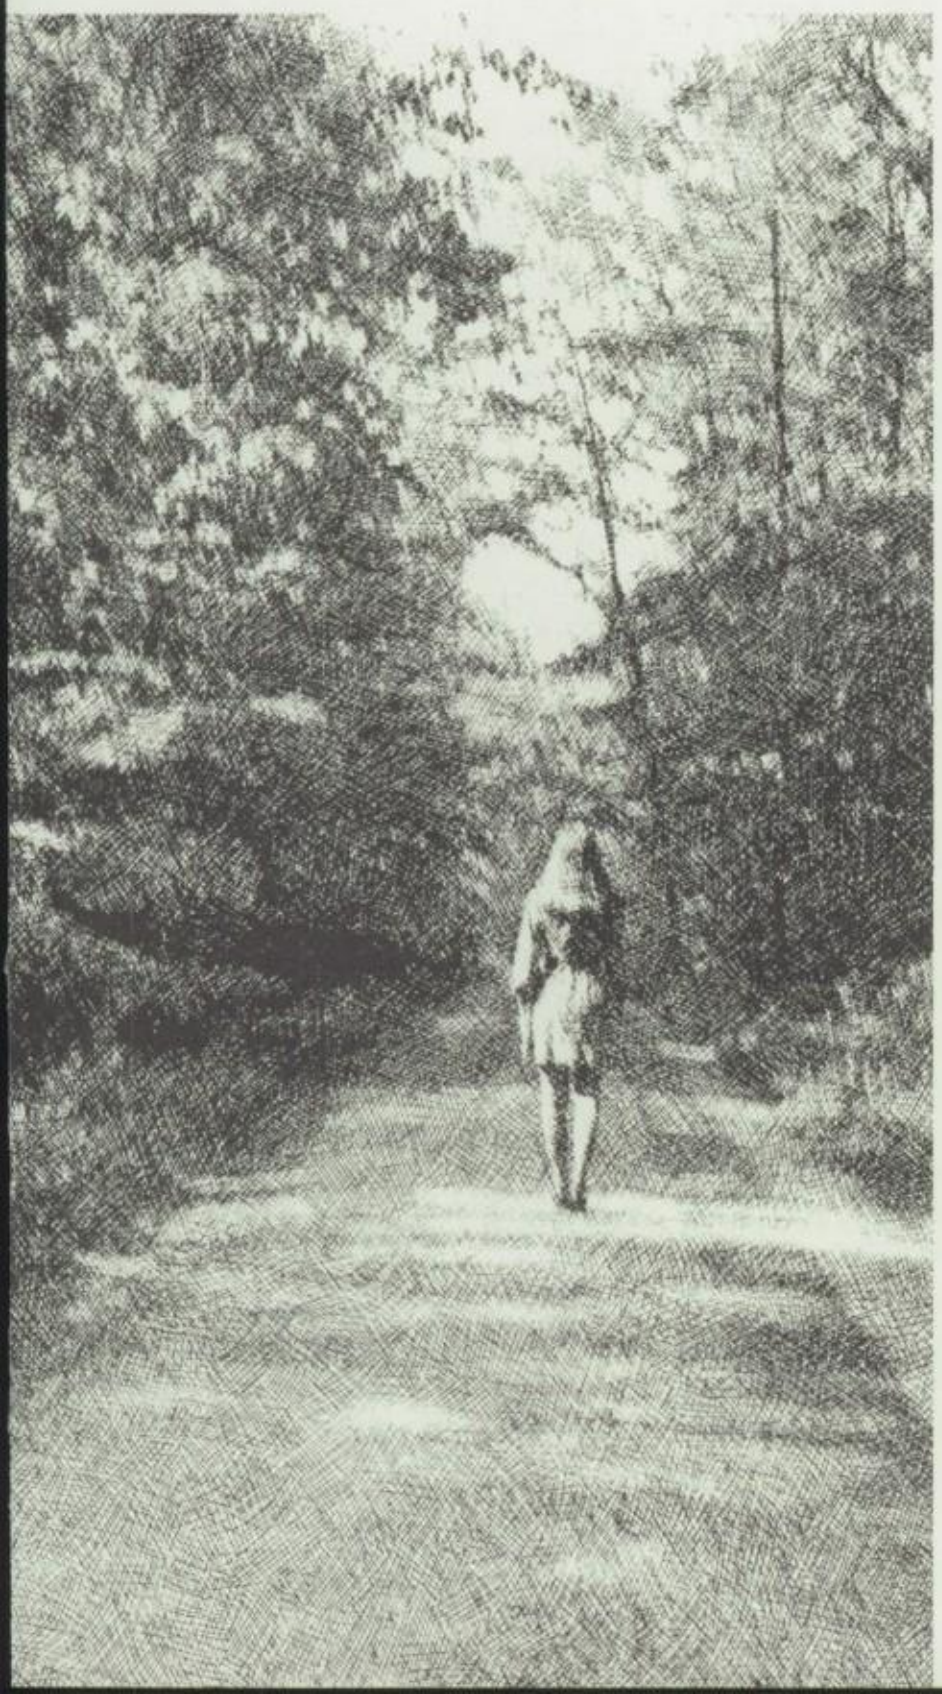
for all that has been...



Thanks

for all
that will
be...





Yes

The summer of '71 had come
And too bad for little Miss Cool
Mono hit poor *McAtee*
And she didn't see the pool.

This was the summer we also heard
That All-American was *Gordon Bell.*
Great things to come was the cry we learned
And we were all proud as _____

With our Senior year a few days away
We couldn't believe our eyes,
"For Sale" signs in the school yard
Our senior girls had their little surprise.

It took a while to realize
But we began our final year
All our classmates wanted out
And the end was drawing near.

The fall came on as once before
And this time all our men
Settled down and worked real hard,
And won another ten.

Gordon, Randy, Joe and Al
Could run or kick, or throw,
And if they ever got in trouble
They could always pass to Mo.

Stark taught 'em how to bite the dust
And filled them all with dread;
Barry trained him day and night
To go and get some head.

Fred, Kirk, Tim and Jay were good,
But no one could compare,
When all the names were written down
"Chopper" had all the hair.

At 5:00 in the morning
In my yard arose such a clatter
Giggles, screams and all kinds of laughter,
I rose to see "what's the matter."

Signs filled my yard that morn
Alive with Block T cheer
The only complaint I have to say,
Is "It happened 3 times that year."

The night before the Piqua game
Ken Bowden invaded the Indian "nation"
But why'd he choose to wreck his car
In front of the police station?

The computer ratings were a farce
And we knew that we were best,
It wasn't a matter of luck or chance,
We'd outplayed all the rest.

Maybe homework and sports don't mix,
But smiles flowed like honey
When many colleges grabbed our guys
And gave them lots of money.

When everybody got together
And showed their spirit and pep
By sitting on each other's shoulders,
Not too many got out of step.

And many skits were also given
Amid the hoots and sneers,
And those funny guys dressed up as girls
Always got the cheers.

Peg, Diane, Marge, and Debbie
Our girls who led the band
With *Mr. Slonaker's* direction
Our band was the best in the land.

In March, "Fiddler on the Roof"
Our musical hit the town.
With *Mr. Dooley* as the director
We brought the whole house down.

Randy and Nancy were the leads
With everyone making a fuss
With *Debby's* voice, the girls' dance
It was great entertainment for us.

Teresa Johnson was Miss Betty Crocker
And all our girls became good cooks;
You could even eat their food sometimes
If you completely ignored its gruesome looks.

Some thought she was a Communist
With nothing else to do,
She even lost her TV set!
Who else - but sexy Sue.

Mr. Prouty taught AP.
A very learned man
Sometimes he huffed and puffed about
But *Wilson* never ran (or did much of
anything else either).

Kuser was a special dude
Who gave *Mr. Prouty* fits,
And no matter how hard they both would try,
They never could match wits.

Our wrestling team went undefeated
Winning the sectionals was a treat
All the guys looked kinda skinny
But March rolled in and they sure did eat.

Timmy Tuna and *Starfish Starkey*
Didn't quite have all the luck
But when the tourney finally ended
A fifth place was reserved for *Chuck.*

The Drama Club was active too
"David and Lisa" played in the fall
"Antigone" came in midst of winter
And "Dracula" was best of all.

Track was quite successful
We won nearly every meet.
With *Elmo* smoking down the track
We never met defeat.

Then came the WOL
Everyone had their best day
With 71 for us and 31 for the nearest team
It looked easy the whole way.

Friday, May the 5th,
Was known as the Senior's day
To skip from school and take it easy
Yes this was our day to play.

To go along with an election year
We held a mock convention
The vote between *Jackson* and *McGovern*
Created a lot of tension.

And now our four short years are done,
We're ready to start again,
Some with hands, a tool, or thoughts,
And some with words or pen.

And everyone with new ideas
Better than the rest
With knowledge that our Senior Class
Has truly been the best.
